The only thing you need to do is to live every moment of your holiday to the fullest with the understanding of "High Class All Inclusive Service" and create many memories worth remembering.

Behind every door, surprises waiting to be discovered...

Garden, sea and pool view rooms
Here, every door opens to a peace you have never tasted, a comfort you have never discovered and a spaciousness you have never felt. You are invited to an unforgettable holiday experience in rooms specially designed for you.

Choose the one that suits you best from the rooms, including superior, family and suite rooms with garden, pool or sea views and start exploring.

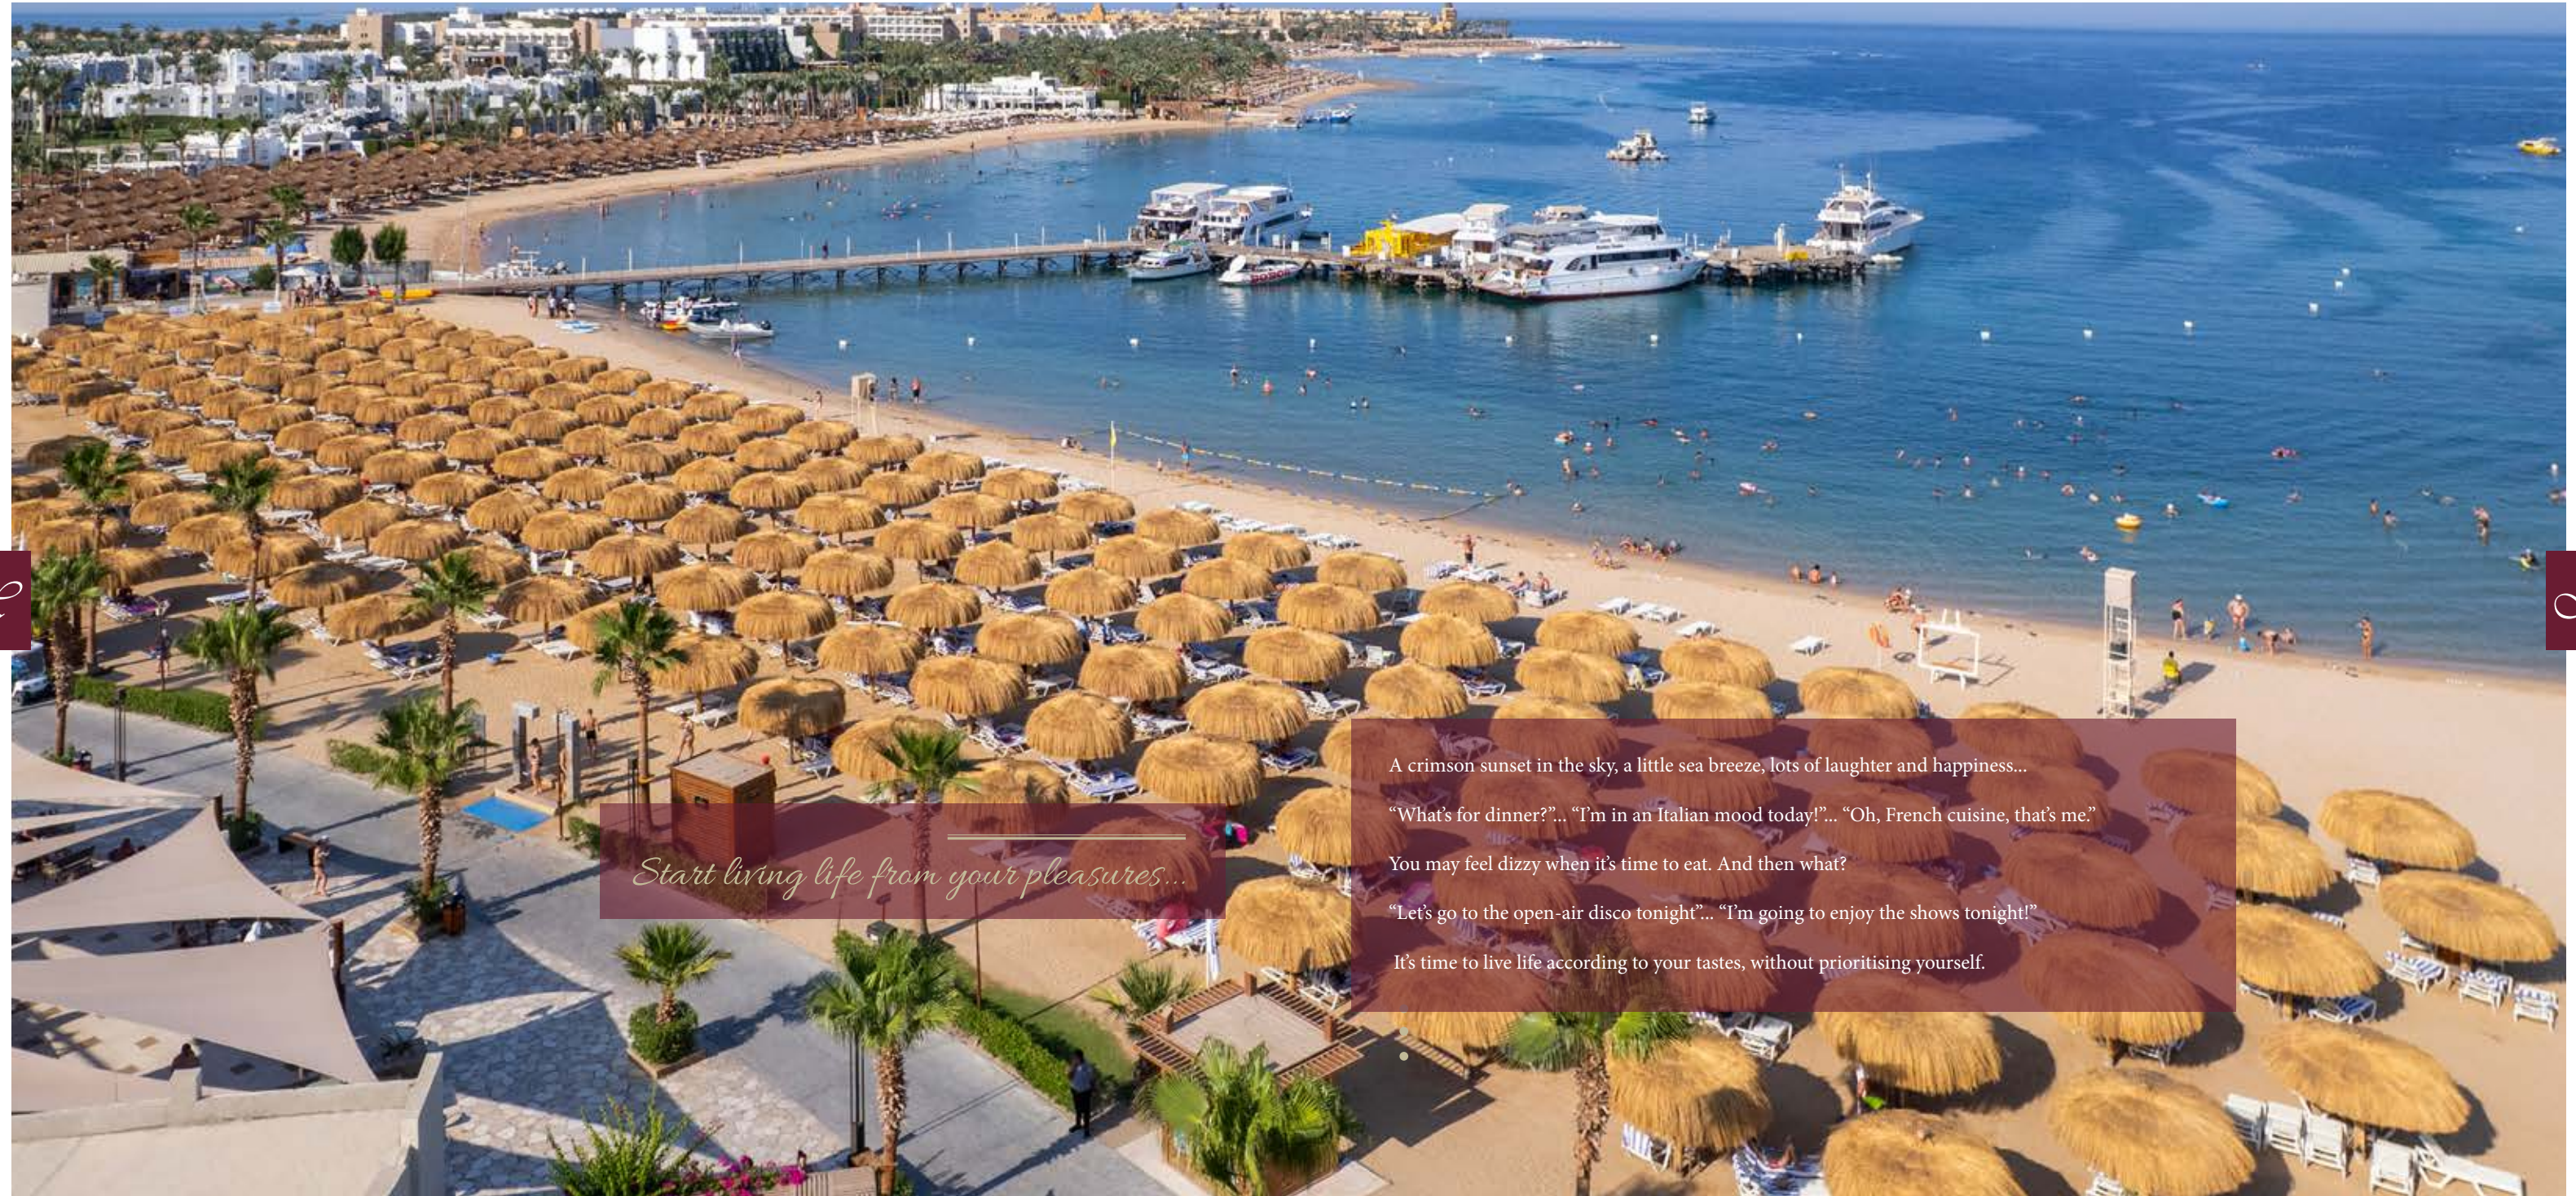

Listen... You will hear silence.

Imagine. A sun that greets you when you open your eyes, the calmness of the blue right next to you... A corner of paradise will accompany you in your villa type accommodation.

Start living life from your pleasures...

A crimson sunset in the sky, a little sea breeze, lots of laughter and happiness...
“What’s for dinner?”... “I’m in an Italian mood today!”... “Oh, French cuisine, that’s me.”
You may feel dizzy when it’s time to eat. And then what?
“Let’s go to the open-air disco tonight!”... “I’m going to enjoy the shows tonight!”
It’s time to live life according to your tastes, without prioritising yourself.

*Xanadu Square – New Shopping Area
for Souvenirs & Memories*

Discover our brand-new shopping zone right next to the hotel! Xanadu Square is the perfect place to find charming souvenirs, local crafts, and unique gifts that will remind you of your holiday. From small keepsakes to special mementos, take home a piece of your stay.

Everything is possible for you here.

Now slowly sit back and imagine... What do you want to do right now?

Lie quietly on a sunbed and listen to the waves of the sea? It is possible.

Keeping fit with a tailor-made programme in the gym? It is possible.

If you want, it is also possible to rest your soul by doing yoga!

Private pool parties, colourful picnics, competitions and many more will increase your level of entertainment.

Beach volley, stretching, water gym, archery, air gun... Which one is for you?

While you are here, you can also go diving and see the colourful corals and unique underwater riches of Hurghada.

Live the day, seize the moment and do whatever you want.

Great fun for the little ones...

Once upon a time, once upon a time... There was a vast playland for children called Fancyland and the children who came here never wanted to leave.

Children will have the most entertaining hours of their lives with special games prepared for different age groups in Fancyland, which is built on an area of 1,500 square metres. They will also be able to spend time peacefully and safely under the supervision of professionals at the pedagogue level.

From fun activities to educational and instructive games; from new friendships to unforgettable holiday memories, you will want to be a child when you see the special playground where everything is considered for children.
